

- Highly Precise Positioning
- Easy & Fast Configuration
- Pan Moving / Tilting / Zooming / Brightness Adjusting
- Pre-set Scenes With Memory Function
- Silent Movement

**DIMENSION**

EN-TLW025-11

4-pin track adaptor

**DESCRIPTION**

MOVIA Motorized Track Light with CASAMBI wireless control. Key features include CCT selectable (3000K/3500K/4000K/5000K), zoomable (10° to 60°), and 360° horizontal, ±140° vertical adjustment. Default routine setting for quick adjustment and stylish, screwless design in a golden ratio size to meet most aesthetic needs.

**FEATURES**

- CASAMBI wireless control.
- CCT selectable (3000K/3500K/4000K/5000K).
- Zoomable 10° to 60°.
- 360° Horizontal adjustable.
- ±140° Vertical adjustable.
- Pre-set scenes for automatic adjustment.
- Screwless golden ratio size.

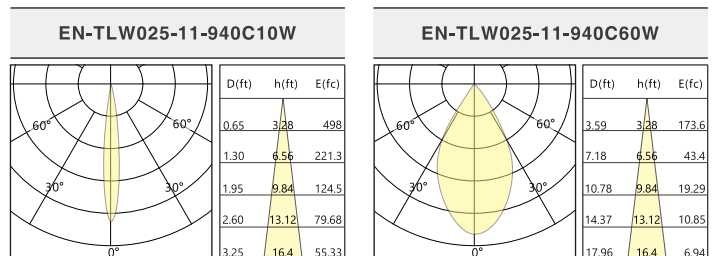

**SPECIFICATION**

**LIGHT DISTRIBUTION**

**MOVIA-25W**

**Fast Movement**  
Pan: 30°/s Tilt: 40°/s

**High Precision Positioning**  
Pan and Tilt <1.5° per move

**Silent Movement**

**Precision Step Motor**

Different from the traditional gear structure design, 3 DC motors drive the movements of the fixture. It allows MOVIA to precisely control with fast 40D/S adjustments coupled with low noise and high speed operation.

**WATTAGE: 25W**

**MOVEMENT RANGE**  
Pan: 0°-360° Tilt: 0°-±140°

**High Efficiency Convection Design**

High efficiency heat convection design ensures long lifespan. Perfect thermal management integrates small body with big wattage makes the motor with less resistance for more efficient operation.

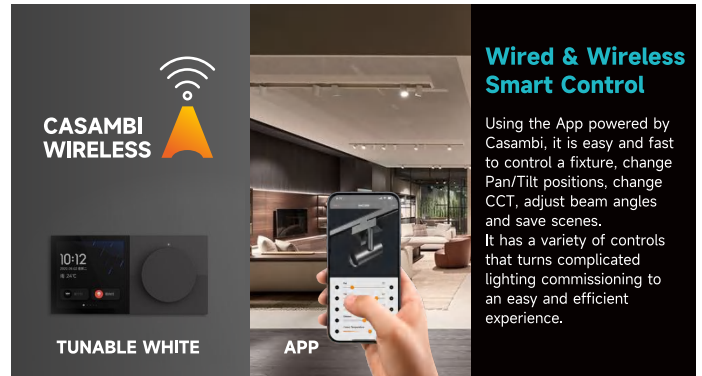

**Zoomable & Flexible**

From 10°-60°, It can be changed to suit different events, scenarios, functions or even table size.

**ZOOMMABLE**  
Beam Angle: 10°-60°

**DIMMER**  
0%-100% Self Dimming

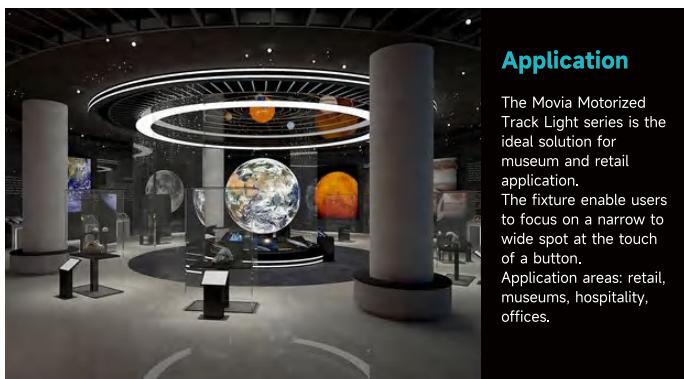

**CASAMBI WIRELESS**

**TUNABLE WHITE**

**APP**

**Wired & Wireless Smart Control**

Using the App powered by Casambi, it is easy and fast to control a fixture, change Pan/Tilt positions, change CCT, adjust beam angles and save scenes. It has a variety of controls that turns complicated lighting commissioning to an easy and efficient experience.

**Application**

The Movia Motorized Track Light series is the ideal solution for museum and retail application. The fixture enable users to focus on a narrow to wide spot at the touch of a button. Application areas: retail, museums, hospitality, offices.
